The meeting was called to order at 7:00pm by President Bill (NR4C) with 26 members and 11 guests present.

A motion was made by Joe (K4JJS) to dispense with all business. It was seconded by Willy (K4MI). Motion passed.

Bill (NR4C) passed the gavel and key to Fire Station 3 to Kenny (KM4KZC) as the incoming President.

Will (WS3G) was recognized as our Outstanding Ham for 2019. Dr. John (N4QEX) prepared a short (funny) talk highlighting Will's service to the club and community. At the end, he gave our sincere thanks to Will for all he has done for the club. The plaque we had planned to present was not ready. It will be presented at the January meeting.

Anne Conkling was asked to say grace before our meal.

After the meal, a drawing was held for door prizes. There were 18 prizes to be given away. The following is a list of the winners:

Our toy drive was a big success. Lots of toys were donated as well as two bikes and several gift cards. Prior to the party, two members who could not attend, dropped their donations off at WXGM. They donated two more bikes and some gift cards. This was the first year we have given gift cards in lieu of toys, but we were told by the station that the cards would be great for the teens in the families or for the organizers to purchase items that were needed.

All in all, I would call this a very successful Christmas Party/Dinner/Almost meeting and a fitting end to our club year!
